

A Survey About the Town of Enfield Comprehensive Plan

Your voice matters!

Let's work together to ensure that the Comprehensive Plan represents the wishes and needs of the Enfield community!

Thank you for completing this survey.

WHAT THIS IS ABOUT AND WHY YOU SHOULD COMPLETE IT

The Town of Enfield is beginning the job of updating its Comprehensive Plan. A Comprehensive Plan is a document that describes the history, current state, and future vision for the community. It acts as a road map to guide future growth and development while promoting the health, safety and general welfare of the people.

The Planning Board is overseeing this process and hopes to submit a draft of the revised Comprehensive Plan to the Town Board by the end of February 2013.

If you are interested in reading Enfield's current Comprehensive Plan, which was written in 2001, you can find it online at <http://townofenfield.org> (click on Comprehensive Plan on the right side of the web page). Or you may request a paper copy from the Enfield Town Hall, 168 Enfield Main Road, 607-273-8256.
