

Current List of 4-H Projects in Ashland County

Project Name & Contacts	Project Description
<p><i>Archery</i></p> <p>Contact the Extension Office for More Information</p> <p>715-682-7017</p>	<p>4-H collaborates with Ashland Parks and Rec to hold two archery series each year – summer (outdoors) and winter (indoors). The 6–8-week programs run once a week, with two sessions per night: one for beginner/intermediate archers, and one for intermediate/advanced archers. The series focuses on safety, equipment, technique, and fun practice activities and games. Equipment is provided. Instruction is provided by certified archery instructors.</p>
<p><i>Riflery</i></p> <p>Contact the Extension Office for More Information</p> <p>715-682-7017</p>	<p>This 4-5 week program runs once per week, with two sessions per night – one for beginner/intermediate archers, and one for intermediate/advanced archers. The series focuses on safety, equipment, technique, and fun practice activities and games. Equipment is provided. Instruction is provided by certified archery instructors.</p>
