**Please Keep in Mind:** All ages are encouraged to help! Older youth and adults will teach and mentor younger children. Please aim to have at least 6 independently functioning individuals during your shift to make the workflow smooth. Friendly customer service is key, as is remaining focused when taking and filling orders to efficiently work with minimal adult need. Various Extension staff will be available at the fair or you can call for their specific support (715 208 0664).

**Each Volunteer will receive a 4-H Item as appreciation for their contribution (sticker, bandana, pen, etc.)! Thank you for your support!**
