

2023 Ashland County Fair! 4-H Updates & Premium Book

The 2023 Ashland County Fair starts August 17 and closes August 20! For the awesome local 4-H Clubs and families helping with 4-H activities, please see the materials below. Review the updated Dairy Bar Menu, the Dairy Bar Manual, and continue using this year's Fair Premium Book (at the bottom of this page)! Feel free to download copies. Our volunteers will receive a 4-H gift for their work, so make sure to sign-up with your Club or contact 715-208-0664!

For anyone wanting to enter something in the fair, know there is still time! Entries are accepted on Thursday the 17th – bring a Premium Book and items to the Ashland County Fairgrounds ([directions here](#)). Remember that the decoupage artwork from the Spring Art Contest can be used as Fair entries, too! We still have some art on display in the Ashland County Courthouse that artists' families can pick up, so stop on by (photo of artwork below).

Please remember that ticket costs are covered individually. Check with your Club to see if there are plans to help fund members' fair tickets. If you would like assistance with ticket costs, please text the Ashland County 4-H Youth Development Educator (Kate) at 715-208-0664 to learn about available options. Thank you!

We look forward to seeing you at the fair!
