With **POWER UP** **SWEET POTATO**

Select – Choose sweet potatoes that are firm and smooth.

Store – Store in a cool, dark place for 3-5 weeks.

Prepare – Rinse under cool, running water and scrub to remove dirt.

Sweet Potatoes are the Harvest of the Month!

Add sweet potatoes to your favorite family meals:

- Slice, toss with oil and seasonings, and bake to make sweet potato fries.
- Mash with butter and cinnamon for a sweet side dish.
- Bake whole and top with black beans & salsa or maple syrup & toasted pecans.

Make meals and memories together. It's a lesson kids will use for life.

Did you know?

Sometimes people call sweet potatoes yams, but yams and sweet potatoes are different vegetables! Sweet potatoes are root vegetables that came from the tropical regions of Central and South America. Yams are large, starchy roots from Africa and Asia.

Nutritious, Delicious, Wisconsin!

HOW TO MAKE A BUTTERFLY SNACK BAG

Do you have picky eaters who don't like to eat their fruits and vegetables? A **Butterfly Snack Bag** is a fun and creative way to get your children to eat a healthy and nutritious snack. Kids will enjoy making these adorable Springtime treats too. These butterfly snacks for kids are perfect for picnics, parties, or just for fun.

SUPPLIES

- Clothes pin
- Small googly eyes
- Pipe cleaner
- Snack bag
- Healthy snack

DIRECTIONS

1. Fill the snack bag with a healthy snack. We filled our snack bag with cheese and carrots. You can use any healthy snack that will fit into the snack bag, but pick one that is age appropriate for your child.
2. Pinch the middle of the snack bag so that the top and bottom of the bag come together. There should be about the same or equal amount of snack in each side of the bag.
3. Put the snack bag in the clothes pin then glue on two small googly eyes on the end of the clothes pin.
4. Cut a pipe cleaner in half. Fold the pipe cleaner in half and clip it in the clothes pin. Curl the ends of the pipe cleaner.
